## DOWNTOWN REFRESHMENT

House of Wine participates in the downtown refreshment district. All single-serving cocktails, beer and wine can be put into to-go cups and labeled for walking throughout the downtown refreshment district. We have double insulated cups for heated cocktails to-go. Ask for a map of the available area.

All cocktails can be made and packaged To-Go. Available bottle sizes include: 1.75 oz "shooter" bottles, 3 oz bottles, 5 oz "mini-wine" bottles, 8 oz bottles, 10 oz bottles, 1-liter bottles and 2-liter jugs. Popular examples are mulled wine and sangria single-serving 8 oz and 1 liter (four servings) bottles; 1 liter draft beer; and 1.75 oz wine flights to go. These can be brought home or to any designated social zone in the downtown area. Once you are in designated common area seating, you can enjoy these to-go drinks at a safe and comfortable social distance.
